Hello Valerie,

Prior to requesting funds, the guidelines from CHIPs says I should reach out for sign-off on new equipment purchases. I would like to know if the purchase of one or two crew cabs with the below specifications would qualify for reimbursement under the CHIPs program. Thank you!

Sincerely,

NEW M5-091

**Spacious, clean, and dependable.
The new M5-091/M5-111 tractors.**

ULTRA GRAND CABII

More space and more visibility make our cab a great place to work.

Sunroof with Retractable Sunshade

A glass sunroof provides a clear view of the front loader fully raised and pallet forks. The non-opening sunroof is equipped with a retractable sunshade to keep the sun out of the cab while traveling or performing low-level types of work.

Ultra Grand Cab II

Here's a feature you can really get into: an extra-wide, ultra-spacious, fully enclosed cab. One of the largest in its class, this stylish new cab is equipped with air conditioning, a sunroof with retractable sunshade, and rubber cushions that provide new levels of comfort and operating efficiency all year round. Full-length doors open wide for easy access, while the flat floor and unobstructed ceiling provide more head and leg room. All displays, levers and controls are ergonomically located for easy access and intuitive operation.

Rounded Glass

We've rounded the cab glass of our Ultra Grand CAB II to provide the operator with more visibility and a more spacious feel—ideal for long days inside the cab. Furthermore, we've increased the glass coverage area on the cab door, which makes it easier to get in and out of the cab.

COMFORT

A spacious and ergonomically designed cab brings comfort to the workplace.

Instructor's Seat (Optional)

The optional instructor's seat is useful when training new operators. When not in use, it can be folded down to increase spaciousness.

New Functional Platform

The M5-091/M5-111 cab has been redesigned for better ergonomics. All levers (except the 4WD lever) and electrical switches are located on the right side for easy access and continuous operations.

Easy-Step Tilt Steering Wheel

The steering wheel of the cab gets out of the way when the operator is dismounting the tractor. Just step on a pedal and raise the steering wheel to its original position.

Heater/Air Conditioner

The heating and cooling unit is now located under the seat. The overall air circulation in the cab has been optimized by the cab's rounded glass as well as by placing the air outlets in the dash tower to keep you cooler on hot summer days and warmer on cold mornings, for year around environment control.

Standard Equipment

- Front halogen work lights
- Front windshield wiper and washer
- Rear halogen work lights
- Interior dome light
- External left and right mirrors
- Sun visor
- Cup holder
- Power outlet
- 7-pin trailer coupler

Options

- Additional 2 front work lights for CAB models
- Rear wiper and washer
- Rear deffoger
- 130Amp for CAB (80 Amp for ROPS) alternator
- Air ride seat suspension
- CD/radio with weather band
- Radio with weather band

TRANSMISSION

A choice of three transmissions gives you the tractor performance you need with less hassle.

F8/R8 Transmission

The synchronized four speeds of the main shift and a high/low range supply tractors with 8 Forward and 8 Reverse speeds.

F12/R12 Transmission (Factory option)

For heavy-duty work such as plowing, hay work and heavy trailer applications, the M5-091 and M5-111 can be equipped with an F12/R12 transmission. This transmission features six speeds of the main shift and a high/low range giving it a total of 12 Forward and 12 Reverse speeds.

F24/R24 Transmission Non-Clutch Shift with Dual Speed (Factory option)

The M5-111 CAB models can be fitted with the F24/R24 transmission for users who demand maximum performance. With six synchromesh speeds in the main shift, Dual Speed which offers instant upshifts and downshifts, and a high/low range, it offers 24 Forward and 24 Reverse speeds.

Over Drive (F12/R12 and F24/R24 models only)

The Over Drive function keeps the engine revolutions at around 2000 rpm during high speed driving for better fuel economy.

Electro Hydraulic Shuttle

Better than ever, our Electro Hydraulic Shuttle for the M5-091/M5-111 makes shifting between forward and reverse smooth and quick. With the Hydraulic Shuttle, a column-mounted lever, conveniently located next to the steering wheel, does all the work. Boost productivity, especially while using loaders, by eliminating the need to depress the clutch every time you change directions. And when attaching

implements, our improved inching feature is easy to perform, giving you the same feel as a half-clutch operation.

Hydraulic Wet Disc Brakes

To decrease operator effort and increase overall tractor longevity, the Kubota M5-091 and M5-111 is standard with Hydraulic Wet Disc Brakes. These brakes require less pedal effort and retain high performance efficiency even after repeated heavy-duty work.

Multiple Wet Disc Clutch

The multiple wet disc clutch provides durability and a long operating life.

Limited Slip Differential

Limited Slip Differential on the front helps you maintain a stable travel speed should the drive wheel on either side of the tractor slip. A standard feature on the M5-091 and M5-111, Limited Slip Differential is perfect when reliable traction is essential.

Easy to shift 4WD Engagement

Switching the 4-wheel drive on and off is easy and quick, and done with one simple lever (One simple switch for M5-111 HDC24). Best of all, there's no need to stop the tractor even when moving out of a field onto a road, so you can stay productive. The 4WD indicator on the LED readout lets you know you're in 4WD.

(Do not engage while carrying heavy loads, or when rear wheel is spinning.)

Resolution No. ____ of 2025, a resolution accepting an offer of dedication of Bismarck Lane, Tisdale Lane, parcels of land, and related utility/stormwater and sewer easements, within the Riggi Miller Road subdivision.

Introduced by _____, who moved its adoption, seconded by _____.

WHEREAS, pursuant to New York State Highway Law 171, and Section 179-23 of the Town Code, the Town Board has the discretion to accept the dedication of roads and real property for public use, and

WHEREAS, pursuant to the approved plans for the Riggi Miller Road Subdivision, Clifton Park Meadows, LLC has offered to dedicate parcels of land described as Bismarck Lane and Tisdale Lane, as shown on attached Schedules B & D, respectively, for highway purposes, a 4,271 square foot parcel, a 1.63 acre parcel, and a 4.84 acre parcel of land, as shown on attached Schedules F, H & J, respectively, and

WHEREAS, the description includes various easements for utility and drainage purposes, and

WHEREAS, pursuant to the approved plans for the Riggi Miller Road Subdivision, Clifton Park Meadows, LLC has offered sewer easements, as shown on Schedule L, and

WHEREAS, Prime AE has completed inspections and reports that all punch items have been completed or are scheduled to be completed; now therefore, be it

RESOLVED, that the Town Board accepts the offer of dedication of Bismarck Lane, Tisdale Lane, related parcels of land, and sewer easements as depicted on the approved Riggi Miller Road Subdivision Map, and as more particularly described in the relevant deeds, as listed in the attached deeds and descriptions, subject to the final approval of the Town Attorney of all real estate transfer documents, review of title and confirmation of the payment of appropriate taxes.

SIGHTS & SOUNDS OF LANCASTER, PENNSYLVANIA

3 Days - 2 Nights

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

- Day 1** Depart from your hometown and travel to the **Amish Lands of Pennsylvania**, stopping for rest and lunch on your own along the way. Check into your lodging for the next two nights in the Lancaster, PA area - then depart for **smorgasbord dinner** at a popular restaurant in the area.
- Day 2** After breakfast at the motel, depart aboard your bus for a **guided tour of the Amish Countryside**, including stops at an Amish Craft Farm and a bake shop. Your **Amish Experience** also includes **Jacob's Choice**, a 35-minute, five-screen, special-effect film presentation (at the F/X Theater) about the Amish. The emotional story is told through the everyday lives of the fictional Fisher Family, an Old Order Amish family which is accurately portrayed living and working in today's world. Witness young Jacob's struggle in choosing the Amish church, or leaving behind family and community for the allure of the modern world. Experience the horrendous religious persecution of their forefathers and take part in the perilous voyage to America, all magically heightened by wind, rain, smoke, fire, ghostly and other immersive special effects that thrill the senses. Jacob's challenges with faith, tradition, and loved ones in a fast-changing world is a story that touches each of us, young and old, in a poignant and memorable way. More than any other Amish attraction, "Jacob's Choice" will leave you with an understanding of what it means to be Amish, and the ties that continue to bind the community together through the centuries. Later, you will enjoy lunch on your own at **Kitchen Kettle Village** in the town of Intercourse where you'll have time to browse in the unique specialty shops displaying everything from local art to fine leather coats, quilts, accessories, and pottery. In mid-afternoon you will arrive at the **Sight & Sound Theatre** to see an original, live performance of **Noah**. With a catastrophic storm on its way, Noah is given a monumental task: build a boat big enough to save his family from a flood that will cover the entire earth! Returning for one season only, this landmark production takes you on board one of the world's best-known voyages as live animals fill the stage and aisles. Set sail inside the enormous ark as this extraordinary story comes to life in this special 30th anniversary season! **Dinner** awaits you at an Amish Homestead after the show.
- Day 3** Following breakfast, check out and depart for a visit to the **Lil' Country Store & Miniature Horse Farm**, a place of discovery and fun for every age. Pet the friendly miniature horses, try some homemade root beer, and browse in the country store filled with delicious treats and captivating gifts. After your visit, depart for home - taking with you enriching memories of your vacation in the heart of **Pennsylvania Dutch Country**.

THANK YOU FOR ALLOWING WHITE STAR TOURS TO BE A PART OF YOUR TRAVEL PLANS!
