## **IMPORTANT INFORMATION RELATED TO PHONE RECORDS IN EXHIBIT 2**

The following records detail the extensive phone calls between “The Employee” and former Town Board Member Amy Standaert. The records were procured from the historical usage of “The Employee’s” desk phone at Town Hall. One example of the collusion over the last few years is included in the first page of records in Exhibit 2. The first page of records highlights the extensive phone calls between the two individuals during the time of the false narrative that was created in early January of 2022, during a public COVID Test Kit distribution event. The records also show “The Employee” calling Channel 13 on multiple occasions during the same time period, where his spouse was employed in the newsroom of the television station. Channel 13 “broke” the story that was sent to them. It is assumed reporters and management of the station were not aware of the collusion and coordination between the parties involved.

The remainder of the records show the date, time, and duration of each call between “The Employee” and former Town Board Member Amy Standaert during various periods of time. The phone records and emails between the two individuals are also referenced in the report.

### Phone Number Identifications

1. “The Employee” desk phone is identified as extension 242
2. Former Town Board Member Standaert’s phone number is identified by 881-(redacted last four)
3. Channel 13 phone number is identified as 207-4801
