

INSURANCE REQUIREMENTS WHEN APPLYING FOR A PERMIT

If homeowners are applying for the permit and completing ALL work themselves:

- Complete, sign and submit CE-200.

If homeowners are applying for a permit for a contractor who will be completing all work:

- Submit contractor's valid workers comp and liability insurance naming the Town of Clifton Park as a certificate holder.
- Submit a signed letter from the contractor stating that they will be completing the work (include date and address of construction).

If homeowners are applying for a permit as the General Contractor:

- Complete, sign and submit CE-200
- It is the applicant's responsibility to ensure all subcontractors have required insurance.

If Contractor is applying for the permit:

- Submit Contractor's valid workers compensation and liability insurance naming the Town of Clifton Park as a certificate holder.
