HOLIDAY TRAIN SHOW - NYC BOTANICAL GARDENS

New York City's Favorite Holiday Tradition is Back!

Be transported to a miniature winter wonderland as model trains zip through an enchanting display of more than 175 New York landmarks, each delightfully re-created from natural materials such as birch bark, lotus pods, acorns, and cinnamon sticks. Marvel at G-scale locomotives humming past replicas of familiar sights such as the Statue of Liberty, Brooklyn Bridge, and Rockefeller Center on nearly a half mile of track. The exhibition showcases Central Park, with new replicas of its iconic architectural features, including Belvedere Castle, the Dairy, and more! All are presented in a uniquely immersive special exhibition space adjacent to the Enid A. Haupt Conservatory.

The New York Botanical Garden is an iconic living museum, a major educational institution, and a renowned plant research and conservation organization. Founded in 1891 and now a National Historic Landmark, it is one of the greatest botanical gardens in the world and the largest in any city in the United States, distinguished by the beauty of its diverse landscape and extensive collections and gardens, as well as by the scope and excellence of its multidisciplinary exhibitions and programs.

HOLIDAY LIGHTS AT THE BRONX ZOO
