

## **INCREASED POINTS AND DRIVER LICENSE REVOCATIONS/SUSPENSIONS:**

NYSDMV has changed its regulations, including increasing the number of points assessed for certain violations, to allow for the revocation/suspension of licenses and to make it more difficult for persistent violators to get back their license. Questions concerning these changes should be discussed with an attorney or by contacting NYSDMV. Information on this can be found at [New York State DMV Proposes Strengthening State Regulations to Get Dangerous Drivers Off the Road | NY DMV.](#)
