

Explore Clifton Park's Nature: 2017 Guided, Stewardship Hikes

We would like to introduce you to the many natural areas, parks and nature preserves that are open to the public in the Town of Clifton Park! Join the Town of Clifton Park Open Space, Trails & Riverfront Committee on one or more of their “working hikes” in 2017! Participants will help evaluate site conditions / needs at these town preserves and parks with the Open Space Coordinator, and learn a little human and natural history about the place along the way!
