

Town of Clifton Park Conservation Project Application Form

Date: _____

The purpose of the Town of Clifton Park's Open Space Program is to protect the publicly supported conservation values for a wide range of resources:

- Lands that help to protect drinking water resources
- Open space and natural areas / wildlife habitat
- Working farmland and agricultural soils, and working woodlands and forest
- Scenic, cultural and historic places and landscapes
- Lands for recreational parks, and public access to waterfronts and the Mohawk Riverfront
- Town trails and pathways connections

Please use this form to identify a specific property and landowner that may be interested in exploring conservation options with the Town of Clifton Park and potentially with other conservation partners. Please fill in what you know. This information will help the Open Space Coordinator and Open Space, Trails and Riverfront Committee evaluate this candidate property or project. Some of the resource analysis information is available by contacting the Town of Clifton Park Open Space Coordinator directly, Jennifer Viggiani at (518) 371-6054 or by e-mail at jenniferv@cliftonpark.org, who will meet with you to discuss your conservation interest and to help complete the form together with you.
