

Congratulations on the arrival of the new addition to your family!

The Town of Clifton Park would like you to sign up for our “Plant a Tree for the Newborn” program. Please complete the enclosed form and submit it, along with a picture of your baby, to register to receive a free seedling!

Deadline for registration is April 13, 2026,
(unless your child is born between
April 14 and April 24, 2026)

The week after Arbor Day 2026, parents can come to the Parks and Recreation office and pick up a free tree seedling to be planted as a “birth tree” for the child on their property. Also, during that week, the babies’ pictures will be displayed prominently at Town Hall.

If you have any Clifton Park friends with newborns, we encourage you to tell them about the program. The only requirement for participation is that the baby must be born between Arbor Day 2025 (April 25) and Arbor Day 2026 (April 24) and that the **parents OR grandparents** must be residents of the Town of Clifton Park.

Plant a Tree for A Newborn Application

Photo

(optional)

We believe that a tree is a gift for the child to grow up with, and thereby to develop an appreciation for nature and the conservation of wildlife. This is a town-wide program that has been in existence for over 25 years. We hope that your child will watch their "birth tree" grow and will become a citizen who cares about the environment in the 21st Century.

Name of child: _____

Date of birth: _____

Parents names: _____

Resident name: _____

Address (of resident): _____

Phone number: _____

E-mail address: _____

The Plant a Tree for a Newborn Program provides a living tribute to your new arrival. After receiving your application, we will contact you to pick up your free seedling (in approximately early May), which the parents can plant and care for as a birth tree. Photos will be displayed prominently at Town Hall, with first names only, and all other information will be kept confidential.
