Company Name: _____

Address: _____

Contact Person: _____

Phone Number: _____

Signature: _____

The Town of Clifton Park is currently seeking sealed bids to provide pool chemicals (Sodium Hypochlorite, Muriatic Acid and Sodium Bisulfate) for all three town pools located at Barney Road, Burning Bush (Country Knolls) and Locust Lane.

The sodium hypochlorite solution is to be delivered every week or as needed by bulk delivery or 5 gallon containers as requested to all three town pools.

June 29-August 7: Delivery must be before 8AM
 May-June 28 and August 8-September 7: Delivery may be between 9AM - 5 PM

The muriatic acid is to be delivered as needed in containers as requested plus charges for containers.

The sodium bisulfate is to be delivered as needed in containers/bags as requested.

The approximate amount of sodium hypochlorite solution and muriatic acid to be purchased for each pool is in the chart below. (These amounts may vary depending on use of pools and weather)

Pool Location	Sodium Hypochlorite	Muriatic Acid	Sodium Bisulfate
Barney Road	5,100 gallons	55 gallons	0 pounds
Country Knolls	3,300 gallons	20 gallons	150 pounds
Locust Lane	2,100 gallons	55 gallons	0 pounds
Total	10,500 gallons	130 gallons	150 pounds
	These are estimates based on the last 3 years	These are estimates based on the last 3 years	These are estimates based on the last 3 years

Bids to include any drum deposits and delivery fuel surcharges.

Pool chemicals are for the pool season from May-September 2020.
